NOTICE OF ANNUAL GENERAL MEETING 2020

Due to the current covid epidemic, with great regret, we have cancelled our planned AGM in Robin Hood's Bay on 13 June. Our AGM this year will take the form of an online forum. Last year's minutes, the accounts and a list of current committee members will be posted on the ALS website (www.allianceofliterarysocieties.org.uk) on 13 May. On 13 June the officers' reports will be posted along with a feedback and voting form. These can be sent to us by email (allianceoflitsocs@gmail.com) or post (8 Waters Edge, Handsacre, Rugeley, Staffs. WS15 4HP) until the end of June, when we will provide a summary of the feedback and the result of any vote.

Please notify the Chair, Linda Curry, of any matters your society wishes to raise including queries about the accounts, so that they can be considered. Nominations for the Committee of the Alliance must be made to the Secretary (address above) not later than 31 May, with the consent of the nominees. All current members of the Committee are willing to stand for re-election. If you wish to stand, or to nominate someone for the Committee, please ensure you/they are able to travel to central Birmingham, where committee meetings are held, twice a year, on Saturdays.

The Minutes of the Annual General Meeting 2019 accompany this notice, as do the Annual Income and Expenditure Account and Balance Sheet, and a list of the current Committee.

We will miss the good fellowship of our usual gathering, but we sincerely hope that you will participate as fully as possible in this unusual AGM. Your feedback is really important to us.
